Science & Spiritual Quest event in Jan

"Science and Spiritual Quest" programme will be held in Bangalore between January 8-11, 2003. The four-day international symposium of scientists, spiritual heads and musicians, proposes to seek an open dialogue for partnership between religion, science and art, for world peace and harmony. The event is organised by National Institute of Advanced Studies (NIAS) and Indian Institute of Science. The meet is aided by Elton John concert and sponsored by the John Templeton Foundation, USA and others.
